Re: Notice of change to Rich County's sales and use tax rate.

To the Utah State Tax Commission;

The Rich County Board of Commissioners has passed a resolution enacting a 0.25% sales and use tax increase under Utah Code Ann. § 59-12-2219(2)(2015). A copy of that resolution is attached to this letter. The increase was also approved by a majority of the voters in the county in an election held November 3, 2015.

Please consider this letter as Rich County's notice of the change in sales and use tax under Utah Code Ann. § 59-12-2209(1)(b). The 0.25% sales and use tax increase should take effect on April 1, 2016. After making the change, revenue should be distributed as set out in Utah Code Ann. § 59-12-2219(5)(c).

If your office needs further information in order to effect this change, please call Benjamin B. Willoughby at the Rich County Attorney's Office: (801) 399-8596, and we would be happy assist.

Sincerely,

Bill Cox, Chairman
Rich County Board of Commissioners
