, 2019

**RESOLUTION OF RICH COUNTY TO INCREASE  
THE REFUSE SERVICE FEE FOR RESIDENCES  
OPERATING AS SHORT TERM RENTALS**

**WHEREAS**, Rich County operates a garbage collection and disposal service throughout the county; and

**WHEREAS**, section two of the Rich County Refuse Ordinance 15-A states “[f]or the purpose of financing the establishment and operation of a refuse collection system and refuse disposal methods and sites, a refuse service fee may be established by resolution of the Board of County Commissioners;” and

**WHEREAS**, the Board of County Commissioners finds that the current fee is insufficient to cover the added costs of residences being operated as short term rentals; and

**WHEREAS**, the Board of County Commissioners finds it to be in the best interests of the county to raise the refuse service fee to cover the costs of servicing short term rentals;

**BE IT RESOLVED**, the Rich County Board of Commissioners hereby sets the annual refuse collection fee for any residence licensed as a short term rental under Rich County’s Short Term Rental Ordinance 8-2 or Garden City’s Short Term Rental Ordinance 8-600 as follows:

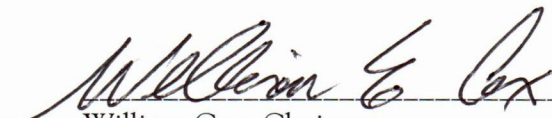

For a short term rental licensed up to eight (8) nightly guests, the refuse service fee is \$140 a standard residential fee per year.

For a short term rental licensed above eight (8) nightly guests, the refuse service fee is \$140 per year plus \$1.50 per additional licensed guest per 6 months.

This resolution shall be effective on the date it is adopted.

APPROVED and signed this 3 day of April, 2019.
